Love Story

By working collaboratively with local churches, social service agencies, health care providers, and schools, Love INC of Greater Hershey is making a difference in the lives of those whom we serve. Below is an example of Love In the Name of Christ's caring support.

Love INC provides transportation to work—

After a vehicle accident left Connie without a car, she feared she would lose her job and her medical insurance coverage. Then she called Love INC. Caring Love INC volunteers have been helping her through the transition, providing her weekly transportation to work, to the grocery store, and to church on Sunday.
